KAIWAKA SCHOOL
HAERE MUA KIA KOTAHI
TOWARD TOMORROW TOGETHER

Week 6 Term 4, 2017

Dear Parents and Caregivers,

School swimming lessons start tomorrow, Thursday 24th

What an amazing time for everyone last week. Our Noho was a great experience for all our Nga Tumanako and Kapa Haka students and the Kereru group really enjoyed their trip to Pinehoe Hot Pools. They are also conducting a road way track. The Juniors had 2 fun filled days and were lucky enough to see caterpillars change into chrysalises.

Thank you to all our parents and caregivers who supported our Noho, Juniors and Kereru students. We were appreciative of the helpfulness and willingness of those who helped with transportation , gave up their time, and a night's sleep, to support our school. We also thank the KDA for allowing us to use the Pavilion for our Noho.

We want to especially thank Naomi Walker for her work on our school Board of Trustees for the last 3 years. Naomi has been a very active and supportive trustee and has had many achievements for our school.

There are 90 overdue library books out of the library at the moment. We really want to get everyone of them back. Please have a look around home and see how many can be found. No questions asked, please just get them back.

All the best to our athletes who are competing in the Inter-school Athletics Competition on Thursday.

Kaiwaka School Board of Trustees Election

Declaration of Parent Election Results

Adrian Buxton Channaine Tynan

Sara McAuley

The Kaiwaka School PTA will be selling Tropical Juices every Friday, alongside Ha Toastries, until the end of Term. $2.00 each
Thank you for supporting us as we fundraise for our junior classrooms iPads.

Swimming Pool Keys 2017 — 2018
These are now available at the School Office. Use of the pool starts 16 December.
A key is $60.
It is an actual key and does not need to be returned at the end of the season. There will be no refund.
Keys must not be shared. They are available until 15 December. After these they can only be purchased from Jaques Supermarket.

Dates to Remember
- Swimming starts Thursday
- 23 Nov Inter School athletics

Includes goats milk soap, Nk Mare Hitz, Kerf Salve and Hair ReTune.
Tickets available at School.

Options for 2018

When your child enrols at Kaiwaka School, you choose whether you want your child to participate in Bible in Schools and Nga Tumanako. This is an opportunity for parents and caregivers to make these choices for 2018. Please fill in the form with your choices for your child/ren. If we do not get a form back be we will go with the options chosen at enrolment. Please complete before 15 December.

Bible in Schools

This is a Christian based programme that is prepared by the .....

The lessons are 30 minutes each Wednesday. Workbooks are supplied. Lessons are in the form of a Bible Story and then an activity illustrating the story.
Students who do not take this option have lessons in a curriculum area that we have a teacher with a strength or interest in. This year it was French, last year it was Recorder. Next year's focus will depend on the number of students involved and the teachers' preferences.

Because there is considerable expense involved, students can not chop and change through the year. The decision made is for the year.

Nga Tumanako

This option involves students attending 1 1/2 hours per week in learning Te Reo and 1 hour we week Kapa Haka. These students lead powhiri and perform in the Kapera Festival.

This programme is led by Whaea Mina Polkea and every teacher prepares lessons for their classes.

Some students participate just in Kapa Haka.

Those that do take this option go into our Kereru Class. These students participate in projects for our school. This year this has included making a roadway and car tracks, managing the recycling at school and doing science experiments.

NORTHLAND DISTRICT HEALTH BOARD

20 November 2017

Dear Parents

This letter is to inform you that your child may have been exposed to a child with a confirmed case of Mumps in the Kaipara community. We are sending this letter to make you aware of this exposure and to provide additional information about Mumps.

What is Mumps?
Mumps is a contagious viral illness. Mumps symptoms include swollen or painful glands under the ear or jaw, swollen or painful testicles, fever, tiredness and/or muscle aches. Many children do not have any symptoms.

How is Mumps spread?
People with Mumps can spread the virus through the air by droplets made when they breathe, cough or sneeze. It can also be spread by saliva containing the virus (eg when sharing food, drink or kissing). The time from becoming infected with the virus to developing symptoms can be as long as 25 days, but is typically 16 -18 days. People with Mumps are infectious 7 days before to 9 days after the onset of swollen glands.
Even those without symptoms may be able to spread the virus.

The MMR vaccine provides the best protection against Mumps.
Children usually receive the first Measles, Mumps and Rubella vaccine (MMR) at 15 months of age and the second dose at 4 years. If you are unsure of your child's vaccination status or if your child has not yet received the vaccine or has only received one dose consult your healthcare provider. While vaccination against Mumps is the best protection against Mumps infection vaccinated individuals may still become infected.

If your child experiences Mumps symptoms please see your family doctor and keep your child away from school or public places for 5 days from the time swollen glands first appear.

Yours Sincerely
